Living Local

GLUE DOWN LVT

Living Local LVT celebrates the vibrant spirit of our local communities. Proudly manufactured in the US, the collection draws inspiration from natural wood visuals and features colors ranging from rich, warm browns to cool grays. The aesthetically flexible shades and textures are designed to fit any interior, providing a core collection of LVT styles that you can use to bring homegrown appeal to a wide variety of projects.

FEATURES

- M-Force™ finish and 20 mil wear layer protect against commercial traffic
- Wood textures emulate natural materials
- No polish maintenance reduces occupied costs
- Designed to coordinate with a variety of Mohawk Group carpet collections
- Diverse color line spans from traditional to contemporary influences
- Living Local carries a 10 year commercial warranty
- Made in America

Living Local, 141 Gold

Unibond Plus FOR HIGH PERFORMANCE ENVIRONMENTS

Unibond® Plus is an advanced high performance backing system designed to provide long term carpet durability while delivering sustainable benefits. The Unibond Plus backing system utilizes a high performance thermoset adhesive designed to deliver greater dimensional stability and long term performance by encapsulating the carpet back stitch, and securing the secondary backing to the substrate. This advanced thermoset adhesive contains greater than 30% pre-consumer recycled content by total product weight. Unibond Plus is ideal for high performance environments.

PERFORMANCE

- High performance backing designed for demanding commercial environments
- Greater dimensional stability—no growing or shrinking
- High tuft bind properties
- Eliminates edge ravel and zippering
- Limited Lifetime Warranty protects against tuft bind, edge ravel, zippering and delamination*
- Excellent choice for demanding commercial environments

INSTALLATION

- For use with direct glue or stretch in installations

SUSTAINABILITY

- Recyclable
- Contains greater than 30% pre-consumer recycled content by total product weight**
- Unibond Plus may contribute to or comply with LEEDv4 credits MR 4.0, MR 5.0, IEQ 4.3 and innovation credit for NSF 140
- Certified at the Gold Level in accordance with NSF/ANSI 140
- Certified low VOC's under CRI Green Label Plus Program
- Compliant with LEED® EQ4.1 low VOC emitting when installed with Mohawk Group recommended adhesive and seam sealer

SERVICE

- Products available through Quickship offering (up to 2,000 square yards within 10 business days)

*See Mohawk Group official warranty documents for further details at www.mohawkgroup.com

**Recycled content claim third party verified by UL (Underwriters Laboratory)

LEED® and the related logo is a trademark owned by the U.S. Green Council and is used with permission

Transparency SUSTAINABLE LEADERSHIP

Mohawk Group leads the building products industry in transparency with the largest selection of products with Declare Labels, Health Product Declarations (HPDs), and Environmental Product Declarations (EPDs). What's more, we offer over 500 Red List Free Declared products.

OUR COMMITMENT

As a Gaia sponsor of the International Living Future Institute (ILFI), we are committed to revolutionary programs that are redefining the green building movement. These include the ILFI's Living Building Challenge and Declare programs.

Declare Labels are a 'nutrition label' for the building industry, providing ingredients, source and manufacturing locations. We offer you:

- The most products with Declare Labels
- The most Red List Free products

We have eliminated the mystery of product ingredients so you get total product transparency.*

Specifications

Driven BC427 / BQ427
Resistance BC428 / BQ428

DESIGN

Size	12' width (3.66m)
Surface Appearance	Textured Patterned Loop
Fiber Type	Colorstrand® SD Nylon
Dye Method	Solution Dyed/Yarn Dyed
Pattern Repeat	
Driven	18" (W) x 5.7" (L)
Resistance	18" (W) x 19.4" (L)
Colors Available	
Driven	8
Resistance	4

PERFORMANCE

Construction	Tufted
Gauge	1/12" (47.00 rows per 10cm)
Stain Release Technology	EcoSentry Plus Stain Protection
GSA Stain Release Technology	Passes
Soil Release Technology	EcoSentry Soil Protection
Backing Material	Unibond® Plus
Flammability	ASTM E 648 - Class 1 (Glue Down)
Smoke Density	ASTM E 662 - Less than 450
Static Propensity	AATCC - 134 Under 3.5 KV

SUSTAINABILITY

Certification	Declare Red List Free
Indoor Air Quality	Green Label Plus Certified #3802
NSF 140	Gold

SERVICE

Warranties	Lifetime Limited Unibond Plus Warranty, Lifetime Static
------------	---

Mohawk Group warrants its adhesives for the life of the original installation only when a Mohawk Group style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Group adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

These patterns contain inherent characteristics which may result in pattern run off and/or pattern appearance variations at the seams or tile edges (darker or lighter pattern lines). These characteristics are inherent in the patterns and are not manufacturing defects. Consideration to these characteristics should be given when selecting an installation method.

Chair pads are recommended under office chairs with roller casters to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce soiling.

Mohawk Group is providing this architect folder for the purpose of promoting our commercial business. This folder and its samples shall remain the property of Mohawk Group. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations.
